

*****Letter for those wanting to host a fundraiser*****

July 2009

Dear friends,

On behalf of Cherie, Charlie, Trey and Wes Rood, thank you for the prayers and extreme generosity you have shown thus far during this difficult journey. God is gracious and merciful and is using each one of you in your own way to minister to them.

There has been an incredible swell of enthusiasm to assist Cherie and Charlie in financially providing for Trey's medical treatment and related expenses. For this reason a project in Trey's name has been established through Helping Hands Ministries, Inc. Helping Hands is a 501(c)3 that allows donations to be made to the Trey Rood Medical Fund and be tax deductible to the donor. Donors will be receipted for their gifts annually.

Groups hosting fundraising events on behalf of Trey and his family are asked to please forward all proceeds and donations directly to Helping Hands Ministries (P.O. Box 337, Tallulah Falls, GA 30573). Attached to this letter is a Prayer Commitment and Gift Card that should be used for all donations. This card will be posted on "Pray for Trey" on Facebook so that it may be freely distributed.

If you are hosting a fundraiser or know of someone that is hosting a fundraiser on Trey's behalf please email Cherie Rood at the below address. Please know we can help publicize the event by posting it on "Pray for Trey". In addition, please take pictures and send to us. We want to visually be able to show Trey, Cherie, Charlie, and Wes the love and prayers that are being showered upon them from here at home.

If you have any questions, or need additional assistance from family in the United States, please call or email:
